Biography

Taesik KIM is an associate professor in Department of Civil and Environmental Engineering, Hongik University, Seoul, Korea. In 2011, he received his Ph.D. in Geotechnical Engineering from Northwestern University, USA. He worked as a senior researcher at the Korea Railroad Research Institute and has been working at Hongik University since 2013. Before receiving his Ph.D., he worked as a consultant in geotechnical engineering practice. As a practitioner, he has various design experiences including soft ground treatment using Geosynthetic materials and MSE retaining walls. He has published over 50 research papers. He has served as the board member of Korean Geosynthetic Society and the planning committee and paper review committee of 11th ICG in 2018.

Feb. 26, 2022

Dear IGS President,

On behalf of Korean Geosynthetic Society(KGSS, IGS Korea Chapter), I would like to apply for a council member nominee according to recommendation by the BoD of KGSS(IGS Korea Chapter).

Please refer below biography.

If you have any query regarding this, please feel free to contact me.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Taesik Kim', written in a cursive style.

Dr. Taesik Kim

Associate Professor, Hongik University

Board Member, KGSS
